

St ALBANS BUSINESS FESTIVAL 2018

This year the St Albans District Chamber of Commerce are arranging a full programme of business events across the week commencing 11th June – 15th June.  #stalbansbizfest

The purpose of the business festival is to provide a numerous and diverse range of networking opportunities for the business community. We will be working with many partners during this week, delivering an impressive schedule so keep your diary free for this exciting and dynamic week in business! Find out more at:
